Welcome to Berkeley.

Your student identification number (SID) and personal identification number (PIN) that appear on the face of this Confirmed Class Schedule allow you to activate your CalNet ID. Your activated CalNet ID provides you with access to all online campus applications such as BearFacts and Tele-BEARS. With this account you can view your course enrollment, add/drop courses, change your address, check your grades, order transcripts, and set up an electronic funds transfer (EFT) account, which allows the direct deposit of University refunds into your bank account. You will also need your CalNet ID to set up any additional computer-related accounts and to access all campus computing facilities.
